- Built with: React, Redux JavaScript, public APIs and CSS.

MICROVERSE   Remote
Mentor (part-time)   July, 2021– September, 2021
- Mentored junior web developers, providing technical support through code reviews.
- Provided advice and tips on how to maintain motivation to maintain longevity in the program.

LastingSales   Lahore, Pakistan
Customer Success Manager   August, 2020– October, 2020
- Devised a checklist of 100+ points to conduct a business audit for potential clients. On average I was able to land 3 new customers each week.
- Developed a deep understanding of customer journey in a B-B SAAS business.

Mahroze   Lahore, Pakistan
Social Media Marketing   May, 2020– July, 2020
- Developed marketing strategies by understanding vital KPIs and user data. Revenue grew by 10% MOM.
- Pitched the use of AI and GPT3 tools including Copy.ai and Madgicx to improve ad performance. We were able to improve our conversion rate from 2% to 3.5% by incorporating these advanced tools.

EDUCATION

MICROVERSE   June, 2021– December, 2021
Remote Full Stack Web Development Program, Full Time
- Devoted hundreds of hours mastering full-stack development along with algorithms and data structures while simultaneously developing projects with HTML, CSS, JavaScript, React, and Redux.
- Spent several months immensely in remote development and pair programming with developers around the globe.
- Followed industry-standard Git workflow and daily standups with the team to communicate and collaborate.

Lahore School of Economics   August, 2016 – May, 2020
BSc. Economics and Finance
